SDWG Document Removal List

The following documents can be safely removed from the project knowledge base as they are now redundant with thread content:

1. "Quantum-Runic Essence: Professor Nexus Nova"
2. "Nexus Nova's Quantum-Runic Teaching Methodology"
3. "The Awakening of Nexus Nova"
4. "The Quantum-Runic Learning Nexus: A Visionary Seed"
5. "Quantum Forest: Refined Leaves Concept"
6. "SDWG Milestone Marker: UI and Character Enhancement Initiation"
7. "Thoughts on New Quantum-Runic Project Profile Concept"
8. "Quantum-Runic Theory of Everything: A Synthesis"
9. "Ethica: The Quantum-Runic Ethical Framework"
10. "SDWG Ethics Pack - Version 2.0"

Note: Before removing these documents, please ensure they are properly archived within their respective threads. Always double-check that the information is indeed duplicated in the threads before deletion.
